"We've come a long way, babe!"

notice everyone
around us
talking, listening,
learning
enjoying their own
special groups
entwining thoughts,
creating memories
moving forward
to personal victories
wading through a
sea of faces
gaining seniority
looking to those
in charge
and saying
we've come a long
way, babe.

Before the beginning,
We were living,
Oh, so far away from here,
And we called it home,
But didn't stay,
We knew that we could leave
one day ...

To Sue R. (Fr.) and Donna M. (Fr.) open campus was a new and different experience.

Neither rain, nor hail, nor sleet, nor snow could keep TL students from enjoying their classes.

Before the beginning,
 We were willing
 To lay aside who we had been,
 And take a chance
 To slip away,
 Or make it back
 To home one day ...

During the 1974-75 school year in the portables, most of the students' time was spent outdoors.

Peggy V. (Sr.) demonstrating the effectiveness of the portables' speech facilities.

Waiting back and forth for classes
from the morning to the night
school was a big story for the stu-
dents. Never again

Ever since we came to be,
With the plan
We learned to see
We alone would guide
Our destiny

—Osmonds

On October 22, 1975 students of the Twin Lakes Portables picked their desks and other property and moved them today at a few's invitation, 'Twin Lakes P.E. School'. The whole day was spent moving furniture, books, and other things. The girls and boys worked so hard they served a few more rest as shown in the picture to the right.

Unloading a pick up full of books can be enjoyable as
Lorraine (l-r), Mike B (l-r)
and Steve B (l-r) discover

Linda H (l-r), Joy C (l-r) and
Janis J (l-r) express different
emotions at the thought of a
strange new high school

Our TI students seem to enjoy learning so much. They even take time to stop for a few minutes of study.

Hmm, that curb seems to be bigger than we thought!

TWIN LAKES SENIOR HIGH SCHOOL

Betsy H. (Fr.)
and Cindy M.
(Fr.) feel it's a
big treat to be
students at the
new Twin Lakes
High School.
Lunch is a big
event at Twin
Lakes. It's a time
when students
can get together
for their daily
gossip.

Students seem to always complain about how bad a week they've had at school, but just think of all the hurt the school took in a week. It gets so broken down its doors slammed, its toilets flushed, its walls hit and its floors walked on. Students aren't the only ones who can't hardly wait for the weekend. When Friday finally arrives at Twin Lakes High School and the dismissal bell rings the school itself may finally rest in peace.

Dedicated to you . . .

Our photographer, Jari Teravainen, is an exchange student from Finland. We were very lucky to get an exchange student at Twin Lakes who was experienced in photography. The staff has really appreciated him!

Communications

Students literally get into the act in DRAMA CLASS. Each day they act out plays in their classroom theater. The students learn by experiencing comedy and melodrama

Foreign Language is being taught at Twin Lakes with the best facilities. The new language lab develops fluency in the native language. Students can now listen to taped French and Spanish assignments.

The school paper is produced by the Tomhawkers. Each month the Tomhawk editors are rotated so each student will carry different responsibilities. The Tomhawkers are: Day Brechbiel (Editor), Don Ingle (Reviews), Perry Powers (Boys Sports), Arch Bowen, Mandy Gay, Becky Coble (Pictures), Cheri Gordon, Carol Wirth (Girls Sports), Lonnie Peck, and not pictured is Mary Beth (Editor-in-Chief). The advisor for Tomhawk is Miss Long.

Mr. Powlen is the Music Director at Twin Lakes. His classes consist of Music Theory and Music Appreciation, 9th and 10th Grade Chorus which is classified as a training group, also 11th and 12th Grade Chorus, and the Choir which are classified as performing groups.

The 9th Grade Chorus is pictured at the right, and the Sophomore Chorus is pictured below. Each group consists of about 50 students

The World to Sing

The 11th and 12th Grade Chorus has been working hard this year on its concert performance.

The Choir, a newly formed group, sang at the Thanksgiving Convocation.

The Six M's to Becoming

Girls in first year Home Ec study interpersonal relationships, and they are taught how to be conservative food buyers. The second year of Home Ec is spent learning the arts of cooking and sewing. Third year Home Ec has been designed to teach Home Management and Family Living.

1st year—Money

2nd year—Munching

3rd year—Management

a Successful Homemaker

4th year—Marriage

Students in the fourth year of Home Ec are being prepared for family living. The Home Ec class performs a mock wedding, and they also study child development.

5th Year Home Ec is a survey course and is designed for the guys as well as the gals. 6th Year Home Ec is advanced clothing. This is a class basically for those with sewing experience.

6th year—Mending

5th year—Mixtur

Industrial Arts

Students of Electronics study the fields of wiring and electricity. They have certain stations to carry out their experiments. Students in Mechanical Drawing learn to draw still objects, study, and plan homes

Students in Wood Shop use a variety of hand and power tools to accomplish their projects

Mentally and

Typing is not just learning the keys. There's much more to it!

Students in Accounting keep records of business about money matters. Twice a year for a month students keep records as if they were working for a real business. These students are finding that calculators come in handy

On The Job Training

The Pre-Vocational Education program is similar to ICT. The students study half a day and work the other half. Jobs are found for students in their junior and senior years.

The freshmen and sophomores in PVE take part in the book binding set up at the Junior High School: putting on new covers on old school books.

Students in their senior year are able to take Health Careers and Exploratory Teaching. Exploratory Teaching is a voluntary job where students receive credits for their work. These students are required to keep a daily journal of what they've done at the various schools. Health Careers is an optional job training course. These students study in class one semester and work in the field the second semester. Career students might work in the hospital, a dental office, or a pharmacy.

Dave Thompson and James Williams are two of the very students in the Industrial Cooperative Training Program. Dave works as an apprentice of a veterinarian in the Monticello area and James works on The Rembrandt, an area newspaper. We are very proud to have such ambitious students at Twin Lakes High School.

Their Fearless Leader

THE GOLDEN THROATS of the 1975-76 school year performed for everything from the Rotary Conventions to church services. Their compliment consists of 10 boys, 10 girls, and their accompanist, Lorene Davis.

The **GOLDEN THROATS** represent the 180 students registered in vocal music here at Twin Lakes. They began 20 years ago when 8 or 10 Twin Lakes students were selected to represent our school and sing at the **GMBA-Kiwinas Christmas Banquet**. Twenty years later, the Golden Throats are a fine singing group, and still going strong. They perform for 25 or 30 engagements a year, usually outside the school.

"The Golden Throats are not singing acrobats," said Mr. Powlen, "but rather are a singing group for all types of engagements."

The Twin Lakes STUDENT COUNCIL had a very active year. They accomplished major policy changes, including dances and convocations, and supervision of "The Big Move" from the portables into the high school.

In the fall, the Student Council planned the Homecoming Parade, the election of class princesses and the Homecoming Queen and the Homecoming Game's half time show. They also sponsored the traditional Homecoming Dance. The highlight for the Student Council was the adoption of the Student Attendance Policy, which had taken 2 years to compile and process.

The Student Council also put the Monthly Dance Policy into action. Each month, a different club would sponsor a dance, with a little help from their friends (the Student Council). A special dance was held in April, "Dance For Those who Can't," to raise money for the Muscular Dystrophy Society.

The purpose of the Student Council is to serve as a Student Government, a club coordinator, and as a link between the faculty and the student body.

The class colors were Carnation Blue and Burgundy. The class flower was a Blue-tipped carnation.

The class of 1975 left Twin Lakes with this motto, "For the day when we be parted there is still a light that shines on us. Shine until we meet again."

“Midnight at the Oasis”

The King and Queen of the 1975 Prom were Bruce Juntgen and Becky Chapman. Their court consisted of: first runners up—Linda Banker and Steve Squires, second runners up—Pam Murray and Jeff Stover. The crown bearers were Jody Doyle and John Headdy

“The Reflections” provided the music and made it a night to remember, with “Midnight at the Oasis” for their closing number.

Homecoming

1975

The 1975 Homecoming runners-up include LaAnn Headdy, Claire Miller, Debbie Burns, and Becky Weiss.

Marsha O'Farrell was chosen Junior Class Princess. The Junior float, "Spear Those Jays," tied for second place.

Lisa Middleton was chosen Sophomore Class Princess. The Sophomore float, "Pluck Them Blue jays," tied for second place.

Cathy Fox was chosen Freshman Class Princess. The Freshman float, "Jaw 'Em," was awarded third place.

A New Year

ART BY HUDSON

These are the days of my past,
the times I thought would last.
Each one marked in its special way,
signifying a momentous day.

On my Calendar I see
rows of scribbled-out memories.

MEMORIES

It's hard to believe another
year has gone.

Did I remember to get
everything done?

One more year, sacked into my soul
How many more will I be able to hold
Lord, just see me through one more year,
So in 365 days, I'll still be here.

Sitting, marking off the days of my past,
The ones I was sure would last.

I sit here and see
days rush by
that I never really
experienced,
and feel emotions
I'll never use
again,
and remember times
that, now,
are only
memories.

And Saying We've

*Starting with those first
brave people who built a
colony out of the American
wilderness...*

*To the war that won
us our independence and
a Nation...*

Come A Long Way, Babe

To the war which tore
the nation in half, and
the Westward Movement
that followed. . .

To the peace we enjoy
now. "Yeah We've Come
A Long, Long Way, Babe!"

Notice everyone around us

Talking
listening
learning

Entwining thoughts, creating memories

Gaining
seniority

Looking to
those in charge

Enjoying their own special groups

Moving forward
to personal victories

Wading through a sea of faces

As students of Twin Lakes High School we've borne many uncomfortable conditions. However, we have gained much strength in the rebuilding of our town and school and much momentum in getting our minds back to normal. 1976, being the Bicentennial year, the yearbook staff believes we can say "We've Come Along Way, Babe!"

And saying we've come a long way, babe.

Hats Off to Teddy ... She Stole Our Hearts

C'est un professeur, n'est-ce
pas? L'assistante du crayon

Mrs. Thelma Gamble, affectionately known as "Teddy" by her cohorts and friends, has been teaching English in the Monticello school system for 15 years. Mrs. Gamble graduated from DePauw University, Greencastle, Indiana, with a Comprehensive Language Degree. She taught in the junior high school from 1962 to 1968 where she was also the Junior High Speech Coach. Since 1968 Mrs. Gamble has taught Senior English at Twin Lakes and has served as the Ninth Grade Speech Coach. She holds the National Forensic League Ruby as a result of the accomplishments of her freshmen. Mrs. Gamble also taught Third and Fourth Year French since 1974.

Today students, we will study adjectives. Adjectives are used effectively in painting word pictures in the sentence. Mrs. Gamble is vivacious, warm hearted, good natured, intelligent, mischievous, dynamic, understanding, sympathetic, cooperative, feisty, straight forward, unpretentious, dedicated, genuine, honest, ...

Now that Mrs. G. is retiring, who will volunteer to make the coffee every day? Who will volunteer to be at school by seven a.m. every morning to open the Teachers' Lounge?

The library has grown by leaps and bounds via Mrs. Miller. In fact since 1964 she has been responsible for the addition of 12,000 volumes. That's right folks, twelve thousand.

And to Wilma Miller She Enriched Our Lives!

Another example of Mrs. Miller's dedication to the library is the bulletin board. It is one more example of how she enriches our lives.

Teachers look forward every year to those big juicy apples—a National Education Week treat from FTA.

Also retiring this year is Mrs. Wilhelmina Miller, a resident of Twin Lakes since 1964. Mrs. Miller's five year teaching career has had many facets, including from the University of Illinois, Urbana. Mrs. Miller holds degrees in social studies, physical education, and English. In 1952 she received a degree in Library Science. Mrs. Miller has taught at Ida Grove High School, Royal Center High School, Menomonie High School, and from 1964 to 1970, she taught social studies in the Monticello school system.

The activities of the Future Teachers of America have been directed by Mrs. Miller since 1970. The FTA has been a very active group at Twin Lakes and are noted for their school services, especially during National Education Week.

Mrs. Miller is directly responsible for motivating young women to apply for positions as Girls State leaders.

The sweetest phase of Mrs. Miller's career has been her role as Chairman of the Social Committee for Twin Lakes. In this capacity, she has whipped up many tasty treats for faculty meetings and other school functions.

In addition to her various roles in the school, Mrs. Miller is also active in the community. Among her credits are her twenty-five year chairmanship of the March of Dimes for Union Township and her title of BPW's Woman of the Year for 1971.

We've come a long way ... with the help of the following people. Special thanks to Mr. Rod Rich, Dr. Robert Hanni, the School Board members, Mr. Larry Pinkerton, and Mr. James Chilton for their patience with the Yearbook Staff, Mr. Jerry Erb, Dave Bruckey, Mr. Larry Utterback, Mr. Joel Storm, Mr. Don Leffler, Mr. Dennis Skelton, Mr. Fred Wagner, and the Monticello Daily Herald Journal for assisting us, Jari Teravainen, our exchange student, for taking and developing pictures for the Yearbook Staff, and Mrs. Sally McLaughlin for advising us. We would like to especially thank all of the students, faculty, and sponsors whose patience and financial efforts pulled us through. Once again the Yearbook Staff would like to express thanks to all of you who have helped us to reach our goal—the 1975 Tiogan.
